Elevation: 986 feet

Overview: In 2011 the NFCT worked with Gord Roberge, owner of Gord's Corner Store, to develop an access on his property. Gord also uses his corner store as a base of operations for North Brook Outfitters offering shuttles, boat rentals, and long term parking. Gord's shuttle service covers parts of the Connecticut River, the Upper Ammonoosuc, and the Androscoggin. The shuttle connecting the Upper Ammonoosuc to the Androscoggin is a good alternative to portaging on Route 110A which does not have a good shoulder. If you do choose to portage Route 110A be careful and use the following general pedestrian guidelines:

- Use the side of the road that faces on-coming traffic.
- When a vehicle is approaching move as far to the left as is practicable.
